Top floor 2 bed apartment with rooftop terrace with Jacuzzi in condominium with pool.

Lovely 2 bed apartment with all new furniture! Block with three stories on the top floor with elevator. You enter the apartment in a hallway with access to the kitchen on your left walking forward into the lounge. Kitchen is fully equipped and has small internal balcony for washing machine and storage, very convenient. The living has large sliding doors towards the terrace, this is where there is plenty of seating available for a nice dinner. Living has a seating area as well as dining area. Furthermore there are 2 bedrooms of which one is en-suite. Both with built in wardrobes. The apartment is fully air-conditioned. This apartment has something extra over others in the same condominium, being it has a spiral staircase to a spacious private sun terrace, which has a good size jacuzzi and more important due to its exact location you have great views towards the sea and have all your outside areas facing south. With all being new inside, a very good apartment to buy.
