500 year old convento with 8 beds. 8 baths and pool. Unique property

This is a truly unique property. Founded in 1640 as monastery and much later transformed into a family home and even later transformed in a Boutique Hotel. It has 8 bedrooms, 8 bathrooms, several kitchens, living rooms and area's. There is just too many unique things there. It is still very well usable as a private villa, no problem. It has always been well maintained and kept up to date. There are rooms with aircon, and central heating etc. But all stylish done and it all feels very authentic. If this is something you are interested in and have the monies to buy and to maintain it give us a call and i will tell you all about it.
