345

Area (m²)

53520

Land Area (m²)

**480 000 EUR**

(EUR €)

### top of the hill seaviews, big building plot

A beautiful large plot with sea views. It has good access, located between St Estevao and Tavira. It has power at edge of the plot and water close by. It has a 345 m2 of registered construction. But since more as 5 hectares could apply for rural tourism etc. A great plot with because not too high, impressive seaview.

### Property Features

- Energetic certification: Exempt
