Superb plot with villa and pool with magnificent seaviews

This large plot is located on the hill of st Estevao. So fabulous views. There is a 3 bedroom house with pool. Which can be altered, but asks for a superb villa. It has magnificent views towards the sea. There is an approved project to do a 600 sqm villa. The house is dated but in good condition. there is further a store room and on the top a very good size pool. So this can be updated and altered as well. Also there is an approved plan fro a 600 sqm villa with pool. The land in front is currently used as almond orchard. So plenty of space and guaranteed privacy and the views will stay. For people who know. This is unique in this area.
