This large townhouse is located in a condominium of 8 properties. It is a gated condominium and the house comes with a private parking spot. There is a good size pool shared only with the 8 houses. The property has on the ground floor a very spacious lounge dining area, with lots of light. From the lounge you get into the kitchen with breakfast table. At the back you have a west facing terrace, which is again spacious and has a BBQ area as well as outside shower. Lovely to catch the sun from around 12:00. Further on the ground floor is a bathroom with shower and under the stairs is extra storage. The kitchen is fully equipped. On the first floor you have two bedrooms sharing a very spacious bathroom with shower and double sink. The bedrooms both have built in wardrobes and access to a terrace. On the top floor is space for 2 beds and storage and is a kind of bathroom created with sink and toilet. Also here access to a terrace with lovely views. The property has never been rented and always kept in very good condition. The property has Aircon throughout the property and is sold fully furnished.
