Townhouse 50 m from beach split in 2 apartments T1

Just off the large square at the beach in Manta Rota you will find the 2 story townhouse. It has a small outside area with covered area and an old well. The building is divided in 2 apartments. Currently 2 T1 apartments but could be made into 2 bedroom apartments. On each floor you have a large livingroom. the kitchen is dated but workable , same goes for the bathrooms. On the first floor you have also a balcony on the front as well as on the back. There is an inside staircase, so can be converted into one large house, or keep it separate, with the outside staircase. If wanting to invest a bit of money this can be made into the perfect beach holiday apartments!
